¹ A Minority-Owned Law Firm is one in which at least 51% of the partners/shareholders/owners are attorneys of color.

² Beginning in January 2020, dues for all firms will be determined by number of attorneys. Membership dues of firms with 1 - 10 attorneys will be \$1,000 effective January 2020.

³ Law firms with 1-10 attorneys that are not Minority-Owned Firms are considered Small Majority-Owned Firms; dues will be \$500 in 2019 and \$1,000 in 2020.

⁴ Dues for Service Providers parallel that for law firms; the dues rate is based on number of professionals (recruiters, consultants, mediators or other non-administrative staff) instead of by number of attorneys.

The dollar amounts above reflect annual membership dues. After joining, CMCP will bill member annually for dues either on a calendar or mid-year basis, depending on the date member first joins.

Contributions or gifts to CMCP are not deductible as charitable contributions for Federal income tax purposes. However, they may be tax deductible under other provisions of the Internal Revenue Code.
